## 3-in-1 | HIGH IMPACT SPRING EVENT

Our highly anticipated *Shred Day* is set to return to our Marcy office on June 8, 2024 from 10am - noon. This event serves three purposes: protecting your identity, promoting eco-friendly disposal and supporting our local veterans!

Identity theft is a pervasive issue, with millions of Americans falling victim each year. Our secure shredding services ensure that your sensitive documents, such as outdated financial statements, tax returns, and medical bills, will be destroyed, reducing your risk of identity theft. You’ll also contribute to a greener planet. Our shredding process ensures that paper documents are responsibly recycled, minimizing your environmental footprint.

- Always Needed**
- Canned tuna or chicken
  - Canned fruits & vegetables
  - Pasta, rice & beans
  - Peanut butter
  - Cereal / oatmeal
  - Canned soups & stews
  - Cooking oil
  - Baby food & formula
  - Personal care items
  - Paper products

In addition to fraud protection and environmental sustainability, our Shred Day also supports our local service members. We invite you to bring donations in exchange for shredding services. Your contributions will directly benefit veterans and their families with essential support and resources. Together, we can make a meaningful difference. **Mark your calendars and join us on June 8th for COMMUNITY, CHARITY, and SECURITY!**
