Empowering the Next Generation

MVFCU Teams Up with SUNY Poly for Day of Giving

Mohawk Valley Federal Credit Union proudly continued its commitment to local education by serving as an official community sponsor for SUNY Poly’s annual Day of Giving, which took place earlier this spring. Thanks to the collective generosity of university alumni, faculty, staff, and partners, this year’s 24-hour fundraising blitz shattered previous records by pulling in over \$300,000.

As a community financial partner, MVFCU was thrilled to help drive the campaign’s momentum, with 100% of the funds directed to vital university initiatives. These resources directly support student scholarships, advance critical hands-on academic research, and enrich essential student life services, ensuring that area scholars have the financial resources and state-of-the-art campus infrastructure they need to build successful futures.

Heartfelt Gratitude to our Generous Members

We appreciate everyone who dropped off nonperishable goods during our recent Shred Day. Your donations directly to support community members in need, proving once again how powerful we are when we work together.
